

OTZTALER HAFLINGERS – FOR SALE

Otztaler Santana 749GB

A fabulous 3yr old mare in Class 1 of the GB stud book, with a proven performance pedigree. High marks at inspection for her movement especially. Has been a companion for our youngsters all her life and has a temperament to die for. Has been broken but now turned away for 12 months to let her grow up, she currently measures at 14'1". Needs an incredibly special home with people who will do lots with her and help her reach her full potential as a competition horse both ridden and driven. The last youngster in GB by Bernhard out of Oxnead Saffron, Santana has a wealth of talent in her pedigree. From the UK, as well as Bernhard, Alpine also contribute brilliant genes to her line.

Otztaler Wicasa 585g

A fabulous yearling gelding, with a proven performance pedigree, great movement and a temperament to die for. By Oxnead Windsor out of Otztaler Savannah, Cass has a wealth of talent in his pedigree. From the UK, as well as Windy, Bernhard and Alpine also contribute brilliant genes to his line. Plus from Austria his pedigree reads like a who's who with Walddorf, Winterstein, Amadeus and Afghan II all there !! With his pedigree we expect him to excel at any discipline under saddle, in harness or in hand.

If anyone would like to give either one of these very special horses a home, please give Hazel a call or drop us an e-mail
